

Dear Families and Fans of Leander ISD Athletics,

As we head into the 2022-2023 school year, we are adding some great tools for fans and guests of Leander ISD athletics, making it simpler than ever to purchase tickets and attend school events.

We are happy to announce a new partnership with HomeTown Ticketing, the leading digital ticketing platform for high schools in the U.S. This platform will provide an easy to use and convenient experience for you – our parents, fans, and guests. Now, tickets for events can be purchased through our website or by downloading HomeTown’s Fan App.

The HomeTown Fan App will allow you to purchase and store ticketing on your smartphone or other mobile device. Simply search for events by school name and zip code or save schools to your favorites to keep up on the latest events, purchase tickets, and present your digital ticket to be scanned on your way into the event!

For those fans who were varsity football season ticket holders for the 2021 season, your ticket and contact information has been shared with HomeTown. You will be contacted through email by HomeTown this summer about renewal opportunities for your varsity football season tickets for the 2022 season.
